

Amendments To The Drawings

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5) because they do not include reference sign(s) 28, 30 and 32 mentioned in the description on page 5, line 27. Applicants submit formal drawings to replace the informal drawings filed with the specification on March 13, 2000. Reference signs 28 and 30 have been added to FIG. 3 on replacement sheet 1/2. The Amendments To The Specification section above deletes reference sign 32 and adds reference numeral 26 to correspond to FIG. 3.
